PROGRAMS

As a Christian School, we want to assist parents in the education of their child. We are interested in the education of the whole person. It is our desire to promote the spiritual and moral growth, academic and intellectual progress, and physical and social development of every student so that he might reach his greatest potential.

Most of our curriculum is from Christian publishers, and subjects are taught from a Biblical viewpoint. Bible is a core subject, and chapel is scheduled once a week. We maintain a high standard of academics with each grade building on pivotal learning from the preceding grade. You can learn more about the progression of teaching on the reverse side of this document.

The school operates on a traditional school calendar, beginning in August and ending in May. The school day begins at 8:00 a.m.; dismissal is staggered from 2:15-2:45 according to grade. Extended care is available for preschool through sixth grade. Before School Care is 6:30-7:45 a.m.; After School Care is 2:30-5:30 p.m.

School uniforms are required with Dennis Uniforms being the supplier. There is an optional lunch program through Lunch Bunch catering, which is purchased monthly; otherwise, students bring home lunches.

PHILOSOPHY

Friendship Christian Schools and its various programs are ministries sponsored by Friendship Baptist Church and are, therefore, dedicated to spiritual principles. This means that our programs will not only be involved in advancing the children in various areas of education but also in enlarging their understanding of their Creator and His desire for their lives.

We believe it is critical that children come to understand the love of Jesus and the basic principles of the Holy Scriptures. This will help them become people of integrity, productive in society, living lives honoring God first and then serving those around them. Our spiritually-centered program, coupled with proper nurturing and discipline at home, will produce the character that every parents hopes to see in his child as well as that which brings glory to God.

Our goal for our students and graduates is that they be godly influences by their lives and conduct. The entire staff of Friendship Christian Schools is dedicated to developing every area of the students' lives so they might be effective servants of the Lord Jesus Christ.

Curriculum

The curriculum for three-year-old children is based on developing readiness skills. They also learn about letters and numbers in a fun but educational way.

The program for the four and five-year-old children includes phonics, numbers, and writings. All classes have Bible stories and activities as well as memory verses.

Social skills, large and small motor coordination, and self-concept are fostered in various activities such as stories, music, art projects, sharing time, games, etc.

Elementary grades continue to build on the foundation established in the preschool. The A Beka curriculum is used in all grades.

Middle school has been established to help transition from elementary to high school. The A Beka curriculum is predominantly used at this level.

Occasionally, curriculum from a publisher other than A Beka is used in the high school, but it is always examined as to quality and content. Curriculum is chosen to meet the needs of the students and the school.
